QuaverMusic.com is packed with **over 1,200+ songs** for various teaching and learning opportunities. Songs are woven into every lesson of our comprehensive PreK–8 Curriculum to help teachers engage students, teach songs, and reinforce student understanding at every grade and skill level!

Our innovative ClassPlay™ program is home to a majority of these songs, delivered as interactive Song Hubs. The song is at the center, surrounded by layers of activities for process-driven teaching of music concepts, skills, and movement. ClassPlay™ includes thousands of activities and is available as part of our curriculum or as a stand-alone supplement.
